Re: RULE 22 Application to Individual Justice

Both district court orders staying foreign travel executive orders by judges in the related applications lacked authority to be nominated by aka BH Obama. Only SCOTUS defines the text of the US Constitution.

– this application request that Assoc. Justice Gorsuch first rule on his own authority regarding i.e. his (Gorsuch's) own SCOTUS nomination (by natural born US citizen Donald J Trump – that is, Trump being born at a location under US jurisdiction with both parents being citizens of the United States on the date of his birth, and authority defined in the constitutional Article 2 eligibility terminology “natural born citizen” for POTUS (Trump)/VPOTUS (Pence) and by extension for Chief Judge Roberts and for precedential effect first by Gorsuch based upon the (John Jay) Judiciary Act of 1789 defining administrative / executive Article 2 authority of SCOTUS Chief Justice based upon his/her nomination by a “natural born citizen” President of the United States.

And, this application also seeks an order to USDC-DCD USDJ Sullivan USDC DCD 17-cv-517 (PACER Docket text MINUTE ORDER attached dated June 6 2017) to release summons and have US Marshal electronically serve SUMMONS and Complaint on each SCOTUS justice (Chief and Associate) and service on all subordinate federal and state court Chief Judges in executive roles and their respective Clerks of Court -- including all active and senior district and circuit Courts of Appeals Article 3 USC federal judges/justices.

And Order for “special three judge district court” be assigned to the case based upon GORSUCH definition of POTUS/VPOTUS eligibility/executive Article 2 authority to nominate Chief Justice in his Article 2 role of the Supreme Court of the United States and all subordinate federal and state courts.
